*Re: Chandler, et al. v. Jacobs Engineering Group, Inc., et al. -- 3:12-CV-00104-BRW*

Dear Counsel:

I have reviewed your Third Motion to Compel and Mr. Bacon's response, and it appears that this dispute may resolve itself.<sup>1</sup>

In regards to the design files that are unavailable in paper form, Mr. Bacon suggests that, if you have an expert witness hired to testify, he or she will be capable of accessing the files that you cannot.

Do you have an expert, and, if so, is he or she capable of accessing the files?

Please advise forthwith.

Cordially,

/s/Billy R. Wilson
